

## **JOTUN SPONSORS – ZAK ‘WORLD OF FACADES MIDDLE EAST’ EVENT**

*Zak World of Façades Middle East*, returns to Dubai after the enormous success of the debut edition which took place last year. The forum will aim at meticulous understanding of façade design and engineering and shall address the issues like fire and life safety, acoustics in façades, safety and security consideration and complete façade process management. It also facilitates the networking opportunities that provide you with connections you need to excel in today’s dynamic architecture, engineering and construction environment.

**Jotun Powder Coatings UAE LLC will be sponsoring ZAK World of Facades Middle East event taking place on 14th March 2016 at The Oberoi, Dubai.**

### **The evolution of aluminium finishes - Growth of powder coatings**

Monesh Aidasani - Regional Specifications Manager for Middle East, India & Africa will be talking about the evolution of powder coatings in the Middle East and the advances in powder coating technology.
