

September 21, 22, 23, 2016
Messe Augsburg, Germany

Buildings & Infrastructure will be one of the most attractive Growth Markets for Composite Applications:

- Lightweight Design
- Corrosion Resistance
- Thermal/ Electr. Insulation
- Freedom of Design (especially for Large structures)
- Low Invest Cost

ON SEPTEMBER 2016, 21 / 22 / 23, ATTEND EXPERIENCE COMPOSITE

3 DAYS DEDICATED TO COMPOSITES DECISION-MAKERS WITH A SPECIAL FOCUS FOR CONSTRUCTION & INFRASTRUCTURE MARKET

Come and participate to the most comprehensive event dedicated to composites industry

2 DAYS OF SYMPOSIUM - 32 CONFERENCES / 41 SPEAKERS

A special symposium program for Construction & Infrastructure Market dedicated to "Introduction to carbon fibre application in civil engineering".

A TRADE FAIR COVERING THE WHOLE VALUE CHAIN OF THE COMPOSITES INDUSTRY

200+ participating companies from 15 countries

[View the participating companies list and the floor plan of the trade fair](#)

Optimize your visit with our special B2B MEETINGS PROGRAM! *

VISITS OF COMPANIES AND RESEARCH & SCIENTIFIC INSTITUTES

EDUCATION Seminars and training

FIRST EVER STARTUP COMPETITION IN COMPOSITES

NETWORKING EVENTS

B2B MEETINGS
